

Maria Rubi

Consultant

mrubi@unicef.org

Short Biographical Sketch

Maria Rubi is a communication consultant who is involved in the research of good practices in using ICTs and social media in a development setting. She is also involved in various areas of the Unit's work such as providing support to the Assessing the Child Impact of Economic Trends and Policies and Child Friendly Cities websites.

Maria is especially interested in finding innovative ways to disseminate knowledge and research about children's related issues, by using a mix of approaches including social media and online collaboration.

Originally from Mexico City, Maria has a background in international relations and holds a master's degree in Public Policy from the Central European University of Budapest, Hungary. Maria lives in Florence, Italy.
