How to use Pamphlet and Posters Files Correctly

Pamphlet files:

[Print Ready](#)

This file is for the UNICEF offices to send to external printers. The first page of the PDF contains instructions for how the printer can map the pages correctly for output.

[Local Printing](#)

This PDF is for users that would like to print a copy of the Innocenti Declaration on their local office printer.

[Screen Viewing](#)

This PDF is for viewing a layout spread of the Innocenti Declaration on-screen

Poster Files

[Print Ready](#)

This PDF contains hi-resolution posters ready to send to external printers.

[Local Printing](#)

This PDF contains a low resolution A2 PDF for onscreen viewing and printing on local printers. Select 'fit to printer margins' when printing out the pdf.
